Building Department/Permitting Office
December 7, 2016

On January 1, 2017, new fees will become effective for all building, electrical, plumbing, and gas permit applications and inspections.

The Wenham Board of Selectmen approved the new fee schedule on October 18, 2016.

On Tuesday, October 18th, the Wenham Board of Selectmen approved a new fee schedule for the Building Department/Permitting Office for all building, electrical, plumbing and gas fees.

The fees were developed by the Permitting Office to ensure that the revenue of the department balances the expenses for the staff time, office supplies, and continuing education required by the department for the different types of inspections and permits.

Most importantly, the fee schedule change included reorganizing the schedule so it is more user-friendly and easier to read.

If you have any questions, please don't hesitate to contact us at 978-468-5520 ext. 4 or permitting@wenhamma.gov.

Thank you,
Jackie Bresnahan
Permitting Coordinator & Special Projects Assistant
