Volume 1, Issue 11

If September 11th has taught us anything, it's certainly that the world has never been so interdependent. It is impossible now to be an island of prosperity in a sea of despair.

Bono

The month of August has been amazing with cool temperatures at night and perfect blue sky days thus far. Sen. Bruce Tarr and Rep. Brad Hill stopped by for Ice Cream this week with a good group of Wenhamites, which was a welcome surprise.

We have a growing book group and *Knitters United, Etc.* *KUE* has been popular from the beginning. Our Paintday art class next week has been fully subscribed for the last 3 months. Our yogas classes on Tues and Thurs we are building to be complementary, oriented toward building strength, improving balance (body and mind) and lots of stretching.

We are planning health talks with the Alyson Preston, from the BOH, as we enter into Fall to provide you with helpful resources. Call if you need rides, our van service is excellent and people who use it like it. Try it!

About BenefitsCheckUp

<https://www.benefitscheckup.org/>

BenefitsCheckUp is free service of the National Council on Aging (NCOA), a nonprofit service and advocacy organization in Washington, DC.

Many adults over 55 need help paying for prescription drugs, health care, utilities, and other basic needs. There are over 2,000 federal, state and private benefits programs available to help. But many people don't know these programs exist or how they can apply.

BenefitsCheckUp asks a series of questions to help identify benefits that could save you money and cover the costs of everyday expenses.

After answering the questions, you will get a report created just for you that describes the programs you may get help from. You can apply for many of the programs online or you can print an application form.

The MA State Primary - Tuesday September 9, 2014.

Want to have a better nights sleep? - Adults who maintain a regular set of daily routines have a reduced rate of insomnia and improved quality of sleep. Stability in basic activities such as bathing, dressing and eating was most strongly associated with sleep quality. Routine lifestyle rhythms may be characterized by stability in the timing, frequency and duration of daily activities such as some kind of creative activity or watching TV or reading. Finding weekly patterns of regularity in activities outside the home is also beneficial.

Highlights and Creative Endeavors

KUE (Knitters United Etc.) on the Thursdays, September 4th & 18th

You don't have to be a knitter to be part of our group! We are meeting on two Thursdays each month and already have one participant who is happily hooking a beautiful rug. We welcome everyone who wants to be part of a group exchanging chatter, friendship and often good advice. We have tea and cookies and an enjoyment of some kind of handcraft. So bring your quilting, sewing, weaving etc. and join KUE. We meet on the first and third Thursday of every month at 3 PM. Hope to see you there. ~ Penny Wingate

<<<EAT, DRINK AND PAINT PARTY - Wednesday, Sept 24 at 2 pm in our COA Building, 10 School Street. Our *Paint Day* involves layering which takes about 15 minutes to dry. During that time we eat and drink. We have a good group and may have to find a larger studio. Everyone has heard of the popular "Paint Night" at this point. Artists feature their work and they help you understand the flow of their work! If you are interested please call so we know our headcount (978) 468-5534. We'll be painting the work pictured to your left by artist Aleah Gates.

TO THE HILT

A small group currently meets on the second Thursday of each month to discuss a book we selected for discussion. Our focus is on mysteries. We have already read two fascinating books by Dorothy Sayers. At our next meeting on September 11th we will be discussing *To the Hilt* by Dick Francis. Written in 1996 it tells the story of Alexander Kinloch, a painter who lives in rural Scotland. Somebody thinks he knows where the jewel-encrusted, solid gold-handled sword of Bonnie Prince Charlie is hiding - and there's the mystery. You'll also find out how to run a brewery, paint a landscape and yes, ride a racehorse, in this thoroughly enjoyable caper. Come and join us as we chat about the book and see if you solved the mystery before you reached the last chapter. ~ Penny Wingate

"Best surprise ever when Robin Williams whizzed past me on a bicycle path while filming "Jack" in Kentfield, California. I recognized him immediately and yelled out, "Love ya, Robin!" as he passed by...Robin just kept peddling wildly down the path as he yelled back, "Love ya too!"... and I could hear his laughter in the distance." from MauiEditor 4 days ago
