

TOWN OF WENHAM
Building Permit Application

THIS APPLICATION IS NOT A PERMIT. NO CONSTRUCTION MAY BEGIN UNTIL THE PROPER APPROVALS HAVE BEEN RECEIVED. The completed application must be submitted to the Building Inspector for his examination and plan review **before work is started**. When approved the Building Permit will be issued. If work is started without first obtaining a Building Permit, **Double Fees** will be imposed.

The undersigned applicant agrees to conform with the provisions of all applicable laws in the **TOWN of WENHAM** and the Massachusetts State Building Code.

Building Inspections:

It is the responsibility of the person obtaining the permit to notify the Building Inspector when the work is ready for inspection and no work should be covered before it has been inspected and approved. REQUESTS FOR INSPECTION are required in accordance with the following schedule.

- 1st - Footings after forms are set and prior to placement of concrete materials.
- 2nd - Foundation walls prior to backfilling.
- 3rd - Rough framing prior to application of insulation or interior wall coverings

All service equipment (electrical, plumbing, heating and gas systems rough-in) prior to cover or concealment.

- 4th - Final inspection by the Building Inspector prior to a permitted use and occupancy

- 5th - And on such special occasions as the Building Inspector may designate.
