

WATER DEPARTMENT PRESS RELEASE

For Immediate Release:

Effective October 1, 2017, the outdoor watering ban in the Town of Wenham has been lifted until further notice. The Water Commission voted to lift the outdoor water ban but would like to remind the residents that conservation is still necessary and encouraged. The Water Department would like to commend the residents of Wenham for complying with the water restrictions by limiting outdoor water use this summer and also for their continued understanding and cooperation.
