Veterans Memorial Pool Update/Open House

Open House

On behalf of the Hamilton Wenham Joint Recreation Committee, the Recreation Department would like to cordially invite all residents to the Veterans Memorial Pool Open House on **Thursday, September 1st from 4-7pm**. The open house will provide a great opportunity for residents to visit the site and have a look at the new pool, bathhouse, lifeguard offices, and filtration room. We hope to see you there!

Pool Construction

Construction of the pool is scheduled to be complete by Friday, August 26th. However, once the construction is complete, a number of inspections will need to occur to make sure the pool and associated buildings are up and running correctly. At this point, we will also be looking at a number of punch list items to officially close out the project.

Pool Operation for Summer of '16

Due to timing, some site constraints, and staffing limitations, we have made the difficult decision to not open the pool to the public for this summer. Although this is disappointing news, we are excited to start the scheduling and programming process for next year and look forward to the many great years to come at the new facility. As part of our programming and scheduling process, we would like to invite you to complete a short survey, which we hope will provide us with great information as we start preparing for the Summer of '17. The survey can be found at the following link: <https://www.surveymonkey.com/r/P2FG6F7>

If you have any questions please feel free to contact our department at 978-468-2178 or contact Sean Timmons, Recreation Director at stimmons@hamiltonma.gov
