MEMORANDUM

TO: Selectmen
FROM: Peter Lombardi, Town Administrator
RE: Town Administrator's Report
DATE: April 5, 2016

Personnel

The posting for the Planning Coordinator position closed on April 4. I have invited members of the land use boards to participate in the screening process, with interviews to be conducted in the next few weeks. We hope to have a permanent replacement hired sometime in May or June. In the meantime, Tony Fields continues to serve as the Interim Planning Coordinator while we go through the hiring process. Tony is in the office during Town Hall hours on Mondays and Thursdays, and is staffing the land use board meetings.

Reminder about Ballot Questions

The ballot for this coming Thursday's election contains two matters carried forward from the 2015 Annual Town Meeting. Last year, Town Meeting voted to place the potential conversion of the Cemetery Commission and Tree Warden from elected to appointed positions on the ballot. These questions will be decided by a simple majority vote.
